**Re: Notification of Subscriber Transfer
CC Docket No. 00-257**

Dear Madam Secretary:

Pursuant to Section 64.1120 of the Commission's Rules, this letter provides notification of the transfer of certain Kansas and Missouri local exchange subscribers of Sure-Tel to SBC Kansas and SBC Missouri (collectively "SBC").

Sure-Tel was unable to continue providing its customers telecommunications service in the above-mentioned regions. To prevent disconnection of service for Sure-Tel customers, SBC began providing Sure-Tel customers local telephone service, for an interim period. SBC provided these customers notice that they must select an alternative provider of telecommunications service or their service will be disconnected. The affected customers will be disconnected from SBC Missouri and SBC Kansas on June 21, 2004 and June 24, 2004 respectively. A sample notification letter is attached hereto.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Davida Grant", written over the word "Sincerely,".

Dear Name,

Until very recently, Sure-Tel had been providing your **local telephone service** (dial tone) over the resold facilities of SBC Kansas (SBC). As you may be aware, Sure-Tel is no longer able to provide your **local telephone service**.

But for the terms of the agreement governing Sure-Tel's service to you, once Sure-Tel's account with SBC was disconnected, your **local telephone service** would have been disconnected, too. To prevent your service from being disconnected without notification to you, SBC began providing **local telephone service** to you on May 19, 2004 for a limited transition period. You can continue receiving this service through June 24, 2004, which is the last day of this limited transition period. You will be billed by SBC for services provided to you during this transition period at our prevailing tariff rates.

Important: You have a choice in selecting the **local telephone service** provider you want to provide service to you. To continue to receive service after June 24, 2004, you must arrange for service with one of the **local telephone service** providers in your area. Before that date, you must contact the provider you prefer to arrange for service. Contact numbers for the local telephone providers in your area are furnished on the attached list. You must make arrangements with a provider to actually begin providing you service **before** June 24, 2004 to avoid interruption of your service.

Should you wish to continue receiving SBC service after June 24, 2004, please call our business office. The telephone number for the SBC business office in your area is available in your SBC White Pages directory.

Remember, you must have replacement service up and running before June 24, 2004. If you fail to have replacement service functioning before June 24, 2004 you may not be able to keep the same telephone number for use with replacement service established after the limited transition service has been disconnected.

If within one week prior to the date of this letter, your **local telephone service** was disconnected or you changed your local telephone service provider, please disregard this letter. **If you have any questions regarding this letter please call 1-800-667-1086.**

Sincerely,

April Mullins
